

WHERE TO GET NALOXONE

Greater Brockton Area

Friends, family members and individuals with opioid dependency are encouraged to obtain Naloxone (Narcan), even in the early stages of recovery.

These locations stock naloxone for potential bystanders.

WHAT IS NALOXONE?

Naloxone (NARCAN) reverses an opioid overdose until an individual receives further medical attention.

ADDITIONAL RESOURCES

Learn 2 Cope (508)738-5148

You can obtain Narcan as well as be trained on when and how to administer it to an individual at any L2C meeting.

To find the next meeting closest to you, you can refer to the Learn to Cope brochure or visit their website

<http://learn2cope.org/meetings/>

or call for more information.

Cope Center (508)583-3405

For those in active use BAMSİ's Cope Center provides Narcan.

81 Pleasant Street Brockton, MA.

**When Naloxone is administered
ALWAYS CALL 911.**
